

HEALTH & SAFETY

Policy Statement

SheffieldResources

Policy : March 2018

Sheffield Resources is committed to providing and maintaining a safe and healthy workplace that exceeds with legislative requirements, industry standards and community expectations.

At Sheffield we will:

- place the highest priority on the management of safety and health in the workplace;
- develop a continuous improvement approach to safety and health;
- implement safety and health management systems in the areas of accident prevention and control, hazard identification, control and removal, injury prevention, health preservation and promotion, and rehabilitation;
- develop and maintain a positive safety culture where all employees and contractors take responsibility for their own safety and health, and for the safety and health of everyone in the workplace and the community;
- ensure that all employees and contractors receive appropriate training and are competent to carry out their duties and responsibilities; and
- comply with all safety and health legislation and regulations, that exceed industry standards and community expectations.

Bruce McFadzean
Managing Director
